

AFRMIX32-SCAPC-IR

Rack Mount Splitter Shelf

FEATURES

- Pre-Loaded Passive 1x32 PLC Splitter
- For Indoor Rack Mount Applications
- Powder Coated 14 Gauge Aluminum (Black)
- Equipped with SC/APC Adapters
- Flush Mountable
- G657.A1 Fiber

The AFRMIX32-SCAPC-IR provides a 1x32 PLC splitter in a pre-loaded IRU rack mount enclosure. The enclosure features 14 gauge aluminum construction and is powder coated for corrosion resistance. The input and output ports are clearly marked and numbered. The included mounting brackets allow the panel to be flush mounted in a 19" rack or cabinet. Rack adapters for 23" mounting are available separately.
